

**Proud new offering for our customers.**

**The lightest and most effective headsets you can find!  
Get rid of those cables around the Cockpit!  
And stream your music via Bluetooth from your Smart Phone!**

Since Sena offerings are growing rapidly and may change from week to week, we suggest you find what you want before placing your order with us.

Go to a website like this one, <https://www.revzilla.com/sena-bluetooth-communications>

Make up your Cart and print Cart to PDF and email us the PDF. We will get you a price.

Don't forget the Radio and Bluetooth interface like this.

Sena SR10 Bluetooth Two-Way Radio Adapter

and

Sena 2-way Cable for Icom Radio with Twin-pin Connector

Specify Radio you are adapting to!

Or you can freely buy these items off other websites!!
